Protective is not registered as an investment advisor and is not providing investment advice by making the Allocation Portfolios or the Allocation by Investment Category options available.

Tax-free transfers among the various investment options may help you maintain your preferred level of diversification. Certain limitations apply, so please see the product prospectus for more information. Diversification neither assures a profit nor eliminates the risk of experiencing investment losses.

Variable annuities are long-term investments intended for retirement planning and involve market risk and the possible loss of principal. Investments in variable annuities are subject to fees and charges from the insurance company and the investment managers.

Withdrawals reduce the annuity's remaining death benefit, contract value, cash surrender value and future earnings. Withdrawals may be subject to income tax and, if taken prior to age 59½, an additional 10% IRS tax penalty may apply. More frequent withdrawals may reduce earnings more than annual withdrawals. During the withdrawal charge period, withdrawals in excess of the penalty-free amount may be subject to a withdrawal charge.

Protective Aspirations variable annuity is a flexible premium deferred variable and fixed annuity contract issued by PLICO in all states except New York under policy form series VDA-P-2006. SecurePay Investor benefits issued under rider form number VDA-P-6063. SecurePay Protector benefits issued under rider form number VDA-P-6061. SecurePay Nursing Home benefits issued under form number IPV-2159. Policy form numbers, product availability and product features may vary by state.

Investors should carefully consider the investment objectives, risks, charges, and expenses of a variable annuity, any optional protected lifetime income benefit, and the underlying investment options before investing. This and other information is contained in the prospectus for a variable annuity and its underlying investment options. Investors should read the prospectus carefully before investing.
