### Pending Business Website Guide

Tracking pending business is easy. Once business is submitted, you will be able to keep track of the status of the applications, review outstanding requirements, and upload documents using the Pending Website. You can access Pending through the MyProtective dashboard or through the EZ-App<sup>SM</sup> dashboard.

#### **MyProtective Dashboard**

From the MyProtective dashboard, click on **View All Pending Business** located in the Pending Business tile.

#### EZ-App<sup>sм</sup> Dashboard

From the EZ-App dashboard, view all of your pending business by clicking on the **VISIT** button located in the Pending Business tile.

### Pending Dashboard

The Pending Dashboard allows you to do a quick search by policy number or insured name, and review recent activity on your submitted policies. Large cases and alerts are also shown on the dashboard.

Click on a policy number to go to the policy details screen. Or click the magnifying glass next to the policy number to see a quick summary about the policy.

Tip: Click on Policy Summaries in the blue bar to see totals for the number of cases approved, issued or pending.

#### **Policy Summaries**

The policy summary view shows the number of policies by current status. Including total face amount and premium. Click Dashboard at the top of the page to return to the Pending Dashboard.

Note: The premium amount will not display in Pending until the signed application packet is received.

### **Policy Status Definitions**

When a file reaches a final status for 32 days (Withdrawn, Incomplete, In-force, Declined, Postponed, Not Taken), it will automatically be removed from the Pending site. If the file is reopened, it will return to the Pending site. **Pending** - Initial status when the ticket is dropped.

**Approved** - Once it is approved by the underwriter it will show Approved.

**Hold to Issue** - Approved waiting on a companion or if it is approved less than applied waiting on the offer to be accepted.

**Issued** - Once the policy is issued.

**Inforce** - Once the policy has been delivered and all delivery requirements are received the policy will be placed Inforce.

Withdrawn - Offer not accepted by client.

### **Policy Documents Tab**

The policy documents page shows all documents received related to the case.

### **Electronic Policy List**

The electronic policy delivery list shows the status of the electronic policy delivery. Click View All to see an expanded list. The expanded list includes information on the electronic policy status, and links to view, approve or release the policy.

## Pending - Annuity

### **Pending Annuity Activity**

You can view your pending annuity activity from the dashboard. The pending annuity information contains annuities submitted as 1035 exchanges only. **Click View All** to see an expanded list. To check the status on any annuity business submitted, click **Contact Us**. See **Uploading Annuity Documents** below for details.

To see details about a pending annuity application, **click on the policy number**. The Annuity Details screen will open where you will find detailed information regarding the status and any comments related to the contract.

### **Uploading Annuity Documents**

Click **Contact Us** at the top of the screen to upload documents on **any** annuity.

- 1. Choose Annuity in the reference to field
- 2. Enter the EZ-App<sup>SM</sup> tracking number and/or the customer's name
- 3. Select Applications as reason for the email
- Select Yes to attach a document (Browse will open – attach documents)
- 5. Submit Email

Note: If you call the Annuity Resource Center for a status update you will need to provide the customers name or SS# instead of the EZ-App tracking number.

For agent use only. Not for distribution to the public.
