

Retirement Planning in a Time of Unprecedented Market Volatility

Market volatility can derail even the most thoughtful retirement plan and becomes a growing concern the closer you get to retirement. Take a look at the ups and downs of the S&P 500® Index, a common stock market activity benchmark, over the last 15 years:

S&P 500 INDEX PERFORMANCE

Don't let volatility derail your retirement plans. Talk to your financial professional about how an indexed annuity can help keep your retirement savings on track, even in the face of market volatility.

Protective and Protective Life refer to Protective Life Insurance Company (PLICO) and its affiliates, including Protective Life and Annuity Insurance Company (PLAIC). PLICO is located in Nashville, TN. PLAIC is located in Birmingham, AL. Each company is solely responsible for the financial obligations accruing under the policies it issues.

Indexed interest could be less than that earned in a traditional fixed annuity, and could be zero. For product details, benefits, limitations and exclusions, please consult the contract, product guide and disclosure statement. These documents describe the terms and conditions that control the insurance company’s contractual obligations. Neither Protective Life nor its representatives offer legal or tax advice. Purchasers should consult with their legal or tax advisor regarding their individual situations before making any tax-related decisions.

Annuities are long-term insurance contracts intended for retirement planning. Indexed annuities are issued by Protective Life Insurance Company. Policy form numbers, product availability and features may vary by state.

Indexed annuities are not an investment in any index, are not securities or stock market investments, do not participate in any stock or equity investment, and do not contain dividends.
