If you're like many pre-retirees, creating a steady stream of income in retirement is a top priority. Protective® Guaranteed Income indexed annuity with the Guaranteed Income Benefit can help by providing lifetime income you cannot outlive.

Review the facts

Guaranteed income for life
Fueled by a 4% roll-up to the benefit base (which can double in 15 years) thanks to opportunities for bonuses¹ along the way.

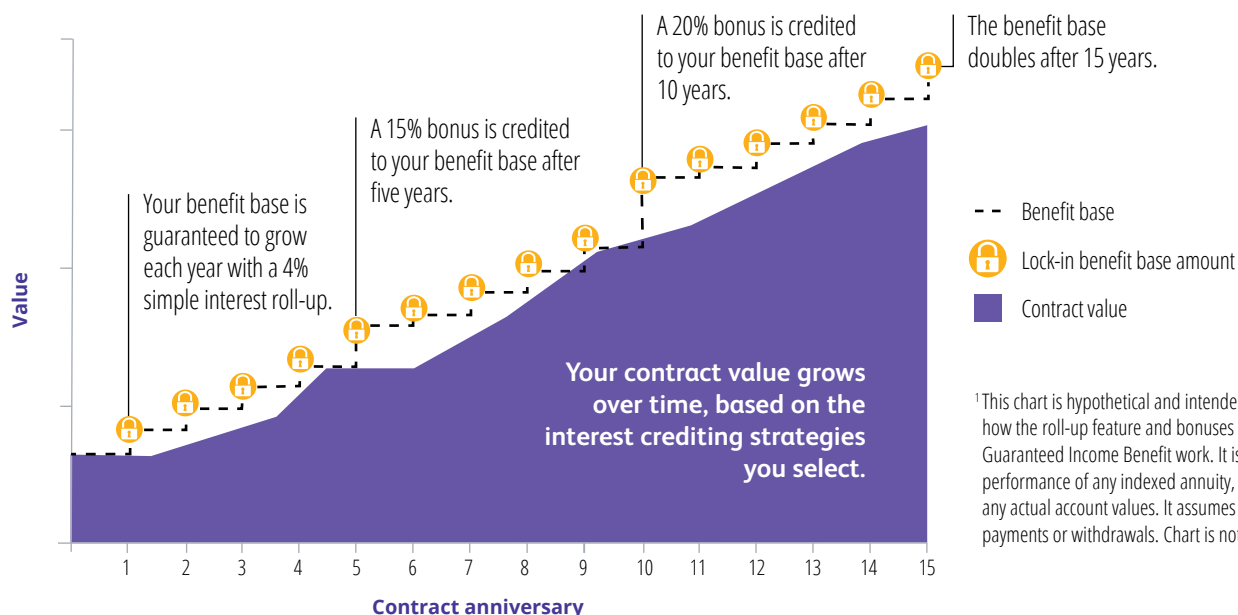

Guaranteed rate cap for term
A guaranteed rate cap that won't change for the term.

Guaranteed flexibility
Two unique income options, chosen at benefit election, with access to competitive withdrawal rates at key ages—now or later.

¹Your benefit base (the amount on which your benefit withdrawals are determined) is guaranteed to increase by 4% of the total purchase payments every year for up to 15 years, or until benefit election, whichever occurs first. Benefit base has a bonus of 15% at the end of year five and an additional bonus of 20% at the end of year 10.

Guaranteed benefit base growth
